## Department of Mines

Directorate of Mines & Geology

—  
**Order**

No. 96/53/87/IIR-Mines/2535

In exercise of the powers conferred by sub-section (2) of Section 8 of the Mines and Minerals (Development and Regulation) Act, 1957 (Central Act 67 of 1957), read with sub-rule (3) of Rule 24 A of Mineral Concession Rules, 1960, the Government of Goa hereby renews the mining lease in favour of M/s. Rajaram Bandekar (Sirigao) Mines Pvt. Ltd., (hereinafter referred to as the "lessee") for undertaking mining operations for Iron & Bauxite ore over an area of 96.00 ha. of land situated in village Sirigao of Bicholim taluka, for a period of 20 years effective from 22-11-2007 to 21-11-2027 subject to the conditions hereunder to be incorporated in the lease deed:

1. The Lessee shall carry out at his expenses such experiments on remedial measures as directed by the Director of Mines & Geology, Government of Goa (hereinafter called the "Director") or by any other officer authorized by him and shall report the result to him.
2. The lessee shall allow, co-operate and provide all facilities to the experts authorized by the State Government to carry out research work or experiments on remedial measures in his leased area or dumping site.
- 3) The Lessee shall, at their own expense, undertake remedial measures, to the satisfaction of the Director of Mines & Geology to prevent damage to the agricultural or forest lands due to the flow of mining rejects or wastes or slimes resulting from his mining operations, within a reasonable time or such time as the case may be, as may be directed by the Director of Mines & Geology.
- 4) If the Director of Mines & Geology or the Officer authorized by him in this behalf is of the opinion that any active dump causes or will cause damage to the agricultural or forest land, which cannot be prevented, he may by order in writing, stop further dumping on such dump. No such order shall, however, be made, unless the lessee is offered a reasonable opportunity of stating his case and being heard.

- 5) The Lessee shall undertake to rehabilitate the land left over after the mining operations are concluded, through soil conservation measures to the satisfaction of the State Government within such reasonable time as the State Government may, by an order in writing, specify.
- 6) In the event of failure on the part of the lessee to undertake the aforesaid measures within the stipulated period, the State Government without prejudice to any other action it may take against the lessee, may take the required steps to rehabilitate the said land and recover the expenses incurred for such work from the Lessee as arrears of land revenue.
- 7) The Lessee shall undertake necessary measures to consolidate the dumps by planting suitable species of grass, legumes or trees, etc., as may be directed by the Director of Mines & Geology from time to time.
- 8) The Lessee shall undertake to plant elsewhere within the lease area at least as many trees as are removed during the mining operations.
- 9) The Lessee shall not dump or allow to be dumped any rejects at any point within a distance of 100 meters from the bank of any river or nallah and 50 meters from the boundary of the leased area except with the previous written permission of the State Government.
- 10) The Lessee shall not discharge or allow it to be discharged any muddy and slimy water from the beneficiation/washing plant and shall provide settling tanks of proper design and adequate capacity for settling solids so that only decanted water may overflow.
- 11) The Lessee shall undertake the work of de-silting of drains and streams outside the leased area periodically to prevent them from being choked and shall provide check dams to facilitate the settling of suspended solids.
- 12) The Lessee shall take necessary steps to ensure that the trucks carrying the ore/rejects from the leased area to any loading point or stockyard are neither overloaded nor allowed to be overloaded.
- 13) The Lessee shall make and pay such reasonable compensation to the owner or tenant or occupant of the land or property situated in the leased area or in the vicinity of the leased area which is damaged or injured or disturbed as a result of mining operation or due to the flow of mining rejects, slimes or waste from the mine, as the case may be, as may be assessed by the Collector, North Goa, in accordance with the law in force on the subject and shall indemnify or keep indemnified fully and completely the State Government against all claims which may be made by any person or persons in respect of any such damage, injury or disturbance and all costs and expenses in connection therewith.
- 14) The Lessee shall obtain surface rights or obtain consent of the owner/occupier of land before entering the land for commencement of mining operation in the area.
- 15) The Lessee shall also comply with the conditions laid down in the letter No. J-11015/40/2006-IA.II(M) dated 17-01-2007 of the Ministry of Environment and Forests, Government of India.
- 16) The Lessee shall execute within a period of 180 days from the date of communication of this order, a Deed of Lease as contemplated under rule 31 of the Mineral Concession Rules, 1960.
- 17) The stamp duty shall be payable by lessees as may be determined by Competent Authority.
